**The Missionary Sisters** of the Most Sacred Heart of Jesus (MSC) were founded in Germany in 1899 by Hubert Linckens, MSC. As true missionaries, the sisters ventured to many countries, including the United States in 1908. Today 800 sisters minister in various capacities in 19 countries. The mission territory of the United States Province includes the 50 states and Mexico.

**The vision** of the MSC Sisters is rooted in a spirituality of the heart which focuses and empowers the sisters' lives to be all-embracing expressions of God's compassionate and healing love to a broken and wounded society. The sisters believe that the healing power of God's love can affect peace and reconciliation in our world. Their mission is to be the Heart of God on earth.

## Memorial & Tribute Sculpture

*Missionary Sisters of the Most  
Sacred Heart of Jesus

**The Missionary Sisters of the Sacred Heart** are called and sent into the world to make known the love and kindness of God our Father, revealed in Jesus Christ. In His humanity, Christ was drawn to the poor, the insignificant, the suffering and to sinners. Dying on the cross, He revealed the depth of God's compassion. His pierced heart is a symbol of deep love for all persons. The mission of every MSC Sister is to be this compassionate Heart of Christ in the world.

**The Sacred Heart Tree of Life** stands as a testament to the mission and charism of the MSC Sisters and expresses gratitude to our contributors who enable us to be in the midst of God's people and to give our lives in their service. We have created this Tree so that our friends can honor and memorialize loved ones, living and deceased, by inscribing their names for perpetuity.

**The Sacred Heart Tree of Life**, which hangs **outside the Sisters' Chapel** in Sacred Heart Villa, includes a carved oak trunk depicting Christ and His Sacred Heart, surrounded by several stones. Extending oak branches adorned with bronze and gold leaves and doves make our Tree a breath-taking, prayerful testament to loved ones.
