MSC History

We, the Missionary Sisters of the Most Sacred Heart of Jesus were founded in Hilstrup, Germany in 1900 by Father Hubert Linckens, MSC. Today we are a group of over 700 Sisters in 21 countries throughout the world.

Our first overseas ministries, begun in 1902, were for the purpose of assisting the MSC Fathers in their missionary endeavors in Papua New Guinea. **In 1904, five of our young Sisters were martyred** by island natives. A rapid growth of our

Congregation followed and we opened new apostolates in various countries. **MSC Sisters first came to the United States of**

America in 1908 to work among the Slovak immigrants in Pennsylvania's coal regions, and our ministries quickly spread to other states.

Responding to the needs of today, we MSC Sisters continue Christ's

mission through various types of service as needs arise. Like our Founder, we

believe that our "mission is not complete until the whole world has turned to Christ."

Since the 1990's, men and women also have shared in our MSC spirituality by becoming Lay MSC.
