"May joy fill our hearts as we welcome our Savior"

(Morning Prayers)

Dear Sisters,

This morning at 1:20 a.m., our dear Sister Aloysia was invited to welcome the Savior.

Sister M. Aloysia, MSC

Mary Lisicky

Born: February 3, 1901

First Vows: November 24, 1919

Died: March 24, 1984

Sister Aloysia served the Community in the homemaking apostolate in Columbus, Ohio, Malvern, and Sacred Heart Hospital, Allentown. Always kind and obedient, Sister loved to do for others. Perhaps that is why the Lord called her to a very special service when for several years, she was hospitalized for emotional illness. When Sister returned to the Community in 1959, she lovingly took her place among her Sisters, and took great joy in serving wherever she could in a humble and unassuming manner.

Several weeks ago, Sister became ill with a severe cold. She seemed to be unable to rally from this new weakness, and on March 12th, she was anointed. After that she seemed better until yesterday, when she again became very weak. Last night she retired as usual. Shortly after 1:00 a.m., the night nurse noticed a change in her breathing pattern. At 1:20, she was called to welcome her Savior in utter completeness. Today, as the Church celebrates the Feast of the Annunciation with its joyful news of the Savior's coming, Sr. Aloysia was given the privilege of entering into the totality of this joyful mystery and profoundly welcome the Savior!

The Mass of Resurrection will be celebrated for Sister on Tuesday, March 27th at 3:00 p.m. The burial will follow immediately thereafter.

Yours in the love of Christ,

Sister M. Thomasite, M.S.C.
