

Sr. Annuntia Koller, MSC

I was born in Glen Ullin, ND and raised in Sacred Heart Parish.

After teaching grade school from 1962-1970, I found a new love in my service as an MSC Sister, Domestic Ministry. If you are unfamiliar with the term, Domestic Ministry means that I served Sisters, either retired/infirm or in the work force, by taking care of all the domestic duties for their homes. I did so in Reading, Philadelphia, and Northampton. These homes (convents) often housed more than ten Sisters at a time, so I was constantly working to prepare meals, to clean, to shop, etc. Because this service is instrumental to the MSC mission to love all with the Heart of Christ, I have valued my Domestic Ministry as a form of active prayer.

Today, I practice prayer ministry as my daily mission, and I am a resident of St. Joseph Villa in Reading, PA.
