

Sr. Mary Saponara, MSC

I was born in Philadelphia as a member of St. Martin of Tours Parish. I began my ministry as an MSC Sister in 1980 and made my Final Profession in 1985.

From 1980 until 1989, I enjoyed my ministry as an Elementary School Teacher in Nazareth, Philadelphia, Norristown, and New York.

Returning to studies in 1989 and learning to speak fluent Spanish, I began my most beloved ministry of service among the people of San Ramon Nonato in Mexico. My ministry there included sacramental preparation of young people and outreach through St. Joseph Pantry (La Posada de San Jose). It is in Mexico where my ministry as an MSC Sister took full shape and enabled me various opportunities to share the love of the Heart of Christ with many.

Recently diagnosed with Lewy Body Syndrome, I am adjusting to a very different life and am being very well cared for.
